

Autumn 1

Show 1 and 2 digit numbers on a bead string
and number line
Order and compare numbers
Count in 10 from a given number
Partition 2 digit numbers
Addition and subtraction
Recognise coins and find totals
Calculate change
Read the time to the quarter of an hour
Measure lengths using standard unit
Begin to use multiplication with the 10x table
Odd and even numbers
Find halves and quarters of shapes

Autumn 2

Double and halve numbers
Add 10, 20, and near multiples of 10 to a
number
Recognise, visualise and describe 2D shapes
Sort 2D shapes
Find right angles in 2D shapes
Recall addition and subtraction facts to 20
Addition and subtraction
Know the value of each digit in a 2 digit
number

Spring 1

Order and compare numbers using $<$ and $>$
Use ordinal numbers (1st, 2nd, 3rd etc)
Describe properties of numbers
Solve logic problems
Addition and subtraction
Estimate, measure and compare weights
Use units of time and the relationship
between them
Read time to the quarter of an hour
Count in 2s, 5s and 10s
Find and describe and continue patterns
Understand multiplication as repeated
addition using the array
Understand grouping as a model of division
Round numbers to the nearest 10
Find fractions of amounts

Spring 2

Addition and subtraction
Calculate the difference
Estimate, measure and compare capacities
Answer a question by collecting and
interpreting data on tally charts, pictograms
and block graphs
Use arrays to multiply
Recognise coins and find totals
Understand that division is the inverse of
multiplication

Summer 1	Summer 2
<p>Count in 2s, 5s and 10s</p> <p>Find halves, quarters and three-quarters of amount</p> <p>Use partitioning to double and halve</p> <p>Addition and subtraction</p> <p>Recognise and find totals of coins</p> <p>Mental multiplication and division</p> <p>Solve multiplication & division word problems</p> <p>Place 2 and 3 digit numbers on a line</p> <p>Order and compare 3 digit numbers</p>	<p>Mental multiplication and division</p> <p>Solve multiplication & division word problems</p> <p>Round 2 digit numbers to the nearest 10</p> <p>Order and compare 3 digit numbers</p> <p>Days of the week and months of the year</p> <p>Construct block graph, pictogram, bar chart and tally chart</p> <p>Use and recognise coins</p> <p>Mental addition and subtraction</p> <p>Find halves, thirds, and quarters of amounts</p> <p>Tell the time to the nearest 5 minutes</p>

Year 2 Yearly Overview - maths
