

Learning Update 1.2.19

Where is the time going! Nearly at half term 😊

Phonics: alternative pronunciations for: a,y,ch,and ou. Tricky words: Many, laughed, because, different, any, eyes, friends, once and please.

In English this week we did some more work on 'The Elves and the Shoemaker,' building up to writing our own versions on Wednesday. We were delighted with what they wrote! Handwriting was Monday this week and for homework! Also handwriting homework is important but usually at this point in the year I begin to send home a maths problem instead, so my plan is send a Maths problem next week. Homework can be sent in anytime and if not done for any reason, is not a problem. If you find this too onerous do please let me know but the problems are fun and don't take too long!

In Maths we continued to look at 'time'. We talked about 'time' words – today, tomorrow and yesterday. We looked at days of the week and months of the year and 'What comes before/after'? This is on our Maths target sheet so please continue to work on this at home. We also learnt about arrow cards that help us with place value.

On Monday afternoon we discussed our value for this half term, empathy.

In Topic we continued our sewing.

PE was with Mr Shaw as usual Wednesday afternoon. On Tuesday we began a unit of work on Gymnastics!

In Computing we continued with our story work.

Writer of the Week: Elizabeth

Certificates: Alfie, Freddie C. Hugo, Sam, William D.

Have a good weekend and see you next week,

Mrs Offley and Mrs Fiddes
