

Bug's Life

Year 1
Spring 2—2019

PSHE

Me and making a positive contribution

SCIENCE

Identify and name a variety of bugs.

Use our local environment to be able to look for bugs and be able to discuss its suitability.

Note simple animal food chains.

Computing

Use the computer to search for information on bugs.

Use the computer to design and make a poster about bugs.

ENGLISH

Listen and respond to books by the same author—Eric Carle.

Read non-fiction books about bugs and insects

Listen and respond to poetry about bugs and mini-beasts.

ART/DT

Design and make a bug out of a bottle.

Evaluate the finished product.

Look at camouflage in animals.

EVES (Experiences,visitors,events)

Visit to Lackford Lakes.

Ugly Bug Ball

PE

Gymnastics/Games

MUSIC

Charanga

Our Christian value this half term is:

Empathy
