

# Year 3 Learning Update

Friday 17th May 2019

We have done lots of learning this week, including...

**English** – We have been writing our own persuasive text about Moulton School as a weekend attraction. This has included lots of discussion about paragraphs too.

**Maths** – We have been finding change, adding money and working out how much money is in a jar. Congratulations to the children who have passed a level of Times Table Mountain this week! Remember; practise makes progress!

**Science** - We have conducted an investigation into magnetic materials.

**Topic/Geography** - We have been researching the meanings of place names.

**Music** - Singing the song 'Bringing us together'.

**Computing**—We have continued to work on our Pivot Animation dances.

**PE** - Self-evaluating our group dances.

**SMSC** - Learning about what is causing animals to become endangered and extinct.

**RE** - Thinking about the meaning of 'The Mustard Seed' bible story to Christians.

We hope you have a lovely weekend,

Miss Williams and Mrs Nichols

## Spellings

New spellings are given out on a Tuesday. Children will then take part in spelling activities on a Wednesday and Friday at school. Children will be expected to take new spellings home to learn.

## Reading Records

Reading records should be handed in by children at the start of each day. Children are expected to change their own reading book when they've finished it.

## Handwriting Homework

Handwriting homework will be given out on a Thursday and due in on Monday. If a child does not bring their homework in on time, they will be expected to go to completion club to do it.

## Free 10 minutes? You could...

Read! - We expect 6 reads a week to be a Star Reader. We need to get Bookster bear!

Times Tables! - Get rocking on Times Table Rockstars! 'Hit the button' is a good game too!!

Maths Facts! - Pick a target on your maths target sheet. Work on it with an adult at home. You must send it into school to be tested.
