

YEAR 2 NEWS

We have had another fantastic week in year 2. The children have remained really engaged and we have done lots of amazing work.

If you have any questions or concerns please feel free to contact Miss Murphy - claire.murphy@moulton.suffolk.sch.uk or Mrs Grosvenor egrosvenor@edu.moulton.suffolk.sch.uk

Miss Murphy and Mrs Grosvenor

What have we been doing?

Phonics	How 'w' and 'qu' change the sound that 'a', 'ar' and 'or' make in some words.
English	We are now performing our 'Trust me, Jack's beanstalk stinks' text map brilliantly and have used it to help write some brilliant character descriptions and begin innovating their own stories. The children showed great progress in their reading comprehension on vegetables.
Maths	Time continued apace, extending our learning to five minutes past and to the hour. We have been consolidating all our time-telling learning towards the end of the week.
Music	We performed our Jack and the Beanstalk pieces to the class. It was lovely.
RE	We went on an Easter egg hunt to find the parts of the Easter story then put them together and told it.
Art	We were texture detectives and went outside to find 2 different objects then used different tools to create the texture.
Science	We looked at what defines something as living and the processes of MRS GREN.
Geography	We have ventured into the tropical Amazon Rainforest and the children have written some brilliant paragraphs about the features of this extraordinary and endangered habitat.

Home learning

Spellings are due for our test on: 15/3/2024- They have come home today.

Please continue reading, practising maths targets and times tables.

Next Friday it is Red Nose Day! The children can come to school in anything that makes them smile/or red clothes. They are asked to all bring in 1 joke to share with the class – teachers may make them into class joke books! The sheet for these has come home today.

Thank you kindly for your support!
