

# Year 3 Learning Update

Friday 13th September 2019

We have done lots of learning this week, including...

**English** – We have completed a variety of punctuation and grammar activities.

**Maths** – We have been recognising the place value of digits, ordering and comparing numbers, placing numbers on a number line and playing a place value game. Congratulations to the children who have passed a level of Times Table Mountain this week! Remember; practise makes progress!

**Topic** - We have been brainstorming what we know about where fruit and vegetables come from.

**Music** - Appraising the song, 'Let Your Spirit Fly'.

**Computing**—We have completed some Maths activities on MathBase.

**PE** - Gymnastics.

**Art** - We have explored different pencil marks.

**RE** - We have explored reconciliation and why it's important to Christians.

**Science** - We have learnt about diet and nutrition in humans and animals.

We hope you have a lovely weekend,

Miss Williams, Mrs Nichols and Mrs Troughton

Your children  
have settled  
into year 3  
brilliantly!

## Spellings

New spellings are given out on a Tuesday. Children will then take part in spelling activities on a Wednesday and Friday at school. Children will be expected to take new spellings home to learn.

## Reading Records

Reading records should be handed in by children at the start of each day. Children are expected to change their own reading book when they've finished it.

## Handwriting Homework

Handwriting homework will be given out on a Thursday and due in on Monday. If a child does not bring their homework in on time, they will be expected to go to completion club to do it.

Free 10 minutes? You could...

Read! - We expect 6 reads a week to be a Star Reader. We need to get Bookster bear!

Times Tables! - Get rocking on Times Table Rockstars! 'Hit the button' is a good game too!!

Maths Facts! - Pick a target on your maths target sheet. Work on it with an adult at home. You must send it into school to be tested.
