

YEAR 2 NEWS

What a lovely week we have had to end the spring term. We were lucky enough to watch the superb year 3 / 4 play 'resurrection joy' Monday afternoon. We also had a lovely visit to the church. Luckily the rain held off for the walk there and back!

What have we been doing?

Phonics	Learning why some words end -le, -al, -il or -el also looking at the homophone to, too and two.
English	The writing stamina this week has been incredible. We have completed the writing assessment where we wrote a recount of our day as the Easter bunny. We also wrote up our invent texts in our books.
Maths	Fraction work has continued this week. We have focused a lot on non-unit fractions.
PSHE	We looked at the human life cycle.
RE	We looked at what an egg symbolises and did an Easter story quiz.
Science	We finished our science topic by looking at habitats and how they provide animals with what they need to survive.

Home learning

Spellings have come home today. Please also continue reading, practising maths targets and times tables. The more the children practise, the more progress they will make.

Thank you for all your support this ½ term. I really appreciate it, it has been an absolute pleasure to teach the class. I hope the children have a very well deserved break and you all have a lovely Easter.

Mrs Grosvenor
