## What have we been doing?

Phonics	We have been looking at the alternative spellings for the sound 's'. When do we use ce?
English	We have carried out a recap on our Grammar knowledge and started to look at our new text – Izzy Gizmo by Pip Jones and Sara Ogilvie.
Maths	Arithmetic and Reasoning assessments to see how much we can remember.
RE	We have started our new unit; Christianity and Why do Christians trust and follow Jesus?
Science	We have started looking at Habitats and how they support the living things within them.
Computing	We have started to look at using Microsoft Word.
DT	We have started a unit where we are looking at, and will be making a Ferris Wheel. If you eat Petit Filous (or similar sized) yogurts please save the pot and send in, we need them for the pods on our Ferris Wheels.
Topic	Our new topic is;- Our Shrinking World, where we will look at inventions that have changed the world. This week we look at Benjamin Franklin and how he discovered electricity.

Your homework this week;

Daily reading, Maths Targets, Times Tables, Spellings.

It is lovely to see all the children back at school, refreshed and ready to learn. I am really pleased to be back and on full form raring to teach, thank you so much for the good wishes and enquiries.

Thank you to Miss Murphy and Mrs Grosvenor for covering me last term. My time out and recovery was made so much easier by knowing the children were in very safe hands.

I know the children are going to really enjoy this term as it is based around inventions and inventing. We have had a great first week and the children are working hard.

Just a reminder;- Show and Tell is on Friday and has to be connected to what we are learning or a special achievement.

Date for your diary;- Thursday 23<sup>rd</sup> May 2024, trip to Bradfield Woods., info to follow.

Have a lovely weekend.
