

Year 1 Learning Update 26.04.2024

Lackford Lakes: We had a wonderful time on our trip! The adults at the centre were very impressed with the children's knowledge of Minibeasts (from our topic) and what plants need to grow (from our science lessons). The weather brightened up a little, saving the worst of the rain for our coach trip home. The children behaved very well and were really kind and polite to the adult helpers- making us all proud! Well done, Year One! (a few photos below).
