

## EARLY HELP OFFER

Every family is unique, with its own strengths and weaknesses. Any family can feel overwhelmed by what seems like endless challenge when it comes to juggling money, school and each other's needs. Sometimes families are disrupted by an upheaval such as illness, a bereavement or a job loss. Every family is different – each needs options from which to choose to find an early solution, and our staff want to give our support.

Our Early Help Offer is an approach, not a service. It respects every family's right to access information to help manage their own lives successfully, whilst guiding them to seek support from appropriate sources. The offer is for all children, as issues may arise at any point in a child's life. It includes universal and targeted strategies to reduce or prevent concerns from growing or becoming entrenched.

- Help is there when parents, children and young people need it...'nipping problems in the bud'
- Together we will find a way forward that is right for everyone – there is a choice of help and we will help you to access it
- Families are at the centre of what we do
- We operate a safe open door policy and we are always willing to listen to concerns
- We will be assertive with families who may not want support but need it, and we will continue to support families until they no longer need help.

At Moulton CEVC Primary School our staff discuss any concerns on a weekly basis. This might include, but is not limited to the following:

- How the child is presenting
- Behaviour
- Attitude to learning
- Friendships
- Family challenges
- Additional needs
- Progress

This helps us to identify children and families that would benefit from early help; it allows us to help them access services within and beyond school.

### **Safeguarding and Child Protection Procedures**

The school has a clear and detailed Safeguarding (Child Protection) policy. Currently, there are two members of staff who have enhanced safeguarding training: Mrs Shipp and Mrs Gilmore. Our Safeguarding Governor is Mrs Bernie Spiller.

At Moulton CEVC Primary School, we all work together to ensure that rigorous and robust systems are in place within school to ensure the safety of our children. At Moulton CEVCP School, **we always act in the interest of the child.**

Our staff receive regular training and updates about all forms of abuse, as detailed in our Child Protection Policy.
