

# Year 6 Learning Update

## Goodbye

Friday 16th July

This is my final learning update!

Thank you for joining, either in person or online—I hope that you enjoyed it. Your children were wonderful today, and they are a credit to you and have been a wonderful asset to our school.

We have had a really enjoyable rest of the day.— we enjoyed the sunshine, signing the yearbooks and had a wonderful leavers' lunch supplied by Angie.

Filming was utterly brilliant on Tuesday—I cannot wait to see the filmed production-I do not have a date for the availability of the DVDs, USBs, online stream-we will let you know when they are ready.

We have done a spot of learning—we wrote guides to Death Valley and learned how to multiply Russian and Egyptian style!

Mrs Offley had great fun with the children on Tuesday, making marble runs.

Certificate winner-definitely the whole class for their incredible performances this week and Will is the writer of the week.

On Monday, please send the children in PE kits as we are going to be outside for most of the day.

That just leaves me to say that it has been a pleasure to teach your children, and I thank you for being a wonderfully supportive group of parents.

I hope that tomorrow night goes well-the children are certainly very exciting.

Have a wonderful summer!
