

Friday 17th June 2022

Dear Parents and Carers,

What hot day—hurrah! It has been nice to be warmer in the classroom.

This week has been a much more relaxed week—we are started to read through the scripts, which are now with your child. Each part has been assigned, and we will continue to rehearse next week. I will be putting a sticker in the reading record for you to write whether or not you would like to order your child a play t-shirt, instead of fashioning a costume. The characters will have a coloured t-shirt, according to their part with the name of the character on the front and the name of the play on the back.

The children had great fun animating with Mrs Offley on Tuesday—the films are really great—they are on GC

We have continued learning about biomes, mostly hot and cold deserts and where they are around the world.

In RE, we have started to learn about Buddhism..

On Monday, we had a day, learning about relationships-types of relationship, positive relationships and negative relationships. This will be followed up on Wednesday by the order part of RSE. Again, if you have any questions, please do get in touch with me.

Yesterday, we had moderators from the local authority in school, verifying my judgements of the children's writing: they were very impressed with the children's stamina for writing..

Next Monday is activity day, so please remember to send your child in their PE kit, a water bottle and cap.

Have a super (homework-free) weekend.

Kindest regards

Nuala Gilmore, Monica Moldovean, Beckie Offley & Manjit Kaur
