

Learning Update Year 4

Friday 14th July 2023

English– We wrote our own innovate texts about the life of Mahatma Gandhi as an inspirational leader.

Maths– We have been mastering coordinates and linking it to knowledge of shape.

Topic– We have explored how age, gender and location on Titanic affected passengers chances of survival.

Science– In Science, we conducted an evaporation experiment to see how heat affected cloths drying. We also reflected on the reliability of our data.

Transition– We have all spent an afternoon and a morning with Miss Rutter to become familiar with Year 5 before September.

P.E. Rounders and teamwork skills.

French– Miss Murphy

Have a great weekend– Mr T and the Year 4 team!

TTM– Practise Times Tables Rockstar as often as you can

(login in reading record)

Spellings– No more given or tested now.

Handwriting– No more given or expected now.

Free Five minutes: Look through some of your books with a grown up and choose a piece of work that you are most proud of.

Next Thursday, we will be having a class party first thing. For this we ask that your child bring in a snack that could be shared (no nuts).

Also, they can bring in a board game that they don't mind sharing.

Thanks.
